# SIGNS OF TROUBLE

After a long day at work, Ben relaxes with his laptop and a pizza. But it is not going to be the peaceful evening he had hoped for...

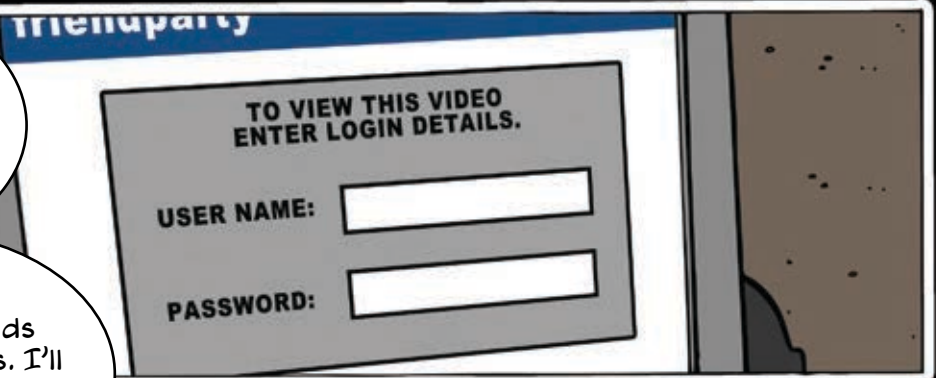

Last night □ when the guys were here □ where was my laptop? Is this a joke?

What's this? I didn't put that on my page!

What is this anyway?...  
Oh no! It's a scam!!stealing  
login details.

I hope my friends  
didn't fall for this. I'll  
delete the link from  
my wall.

Who's that?  
Better log out  
this time!

Hello, Jayne,  
come in!

Ben is soon talking with his friend, and  
he forgets about the problem...
