## *Acknowledgments*

While writing this book I have enjoyed the benefit of helpful conversations with several people, especially two of my colleagues at the University of Georgia, Simon Gatrell and Hubert Mc-Alexander, and my parents-in-law, Peter and Nancy Mattern. Many thanks, too, to my editor at Continuum, David Barker, who has seen this book through from its inception to its completion. My greatest debt of all is to my wife (and colleague), Susan Mattern-Parkes; I am grateful to her for everything.
